

Planning mercredis récréatifs

12-13h: repas

13h-15h: temps calme des sieste des petits

Pour la piscine: pensez à un petit sac avec maillot, lunettes si besoin et une petite gourde

Water bottle

Mosquito repellent

Long-sleeved shirt

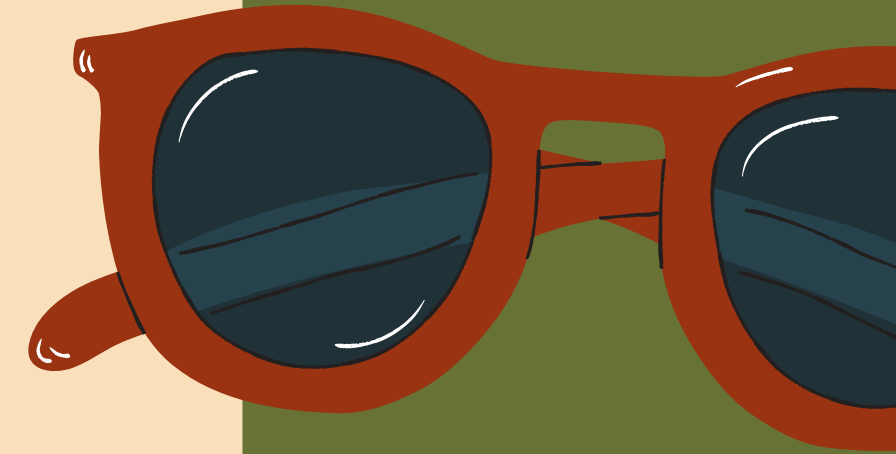

Sport shoes

Track pants

Jacket

THE PERFECT TIME TO TRAVEL

Backpacking is most popular during the summer and warmer months. One of the reasons for this is that backpackers may have to move frequently from one location to another. They need to make the most of their limited time.

However, backpacking in winter is also common. Nowadays, youth are starting to enjoy camping and trying out winter-specific sports and activities.

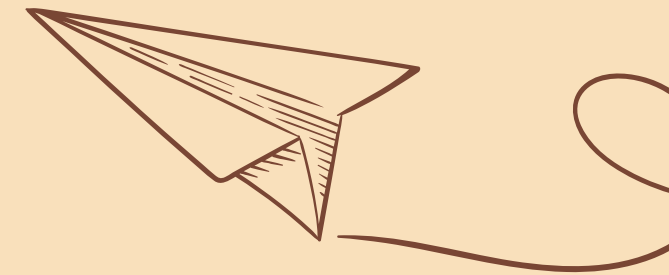

SUMMER

Snorkeling

Swimming

Camping

WINTER

Snowboarding

Curling

Skiing

Ice climbing

PROS AND CONS OF BACKPACKING

Write your explanation of the topic here. Make sure to express your ideas clearly and write it as detailed as needed

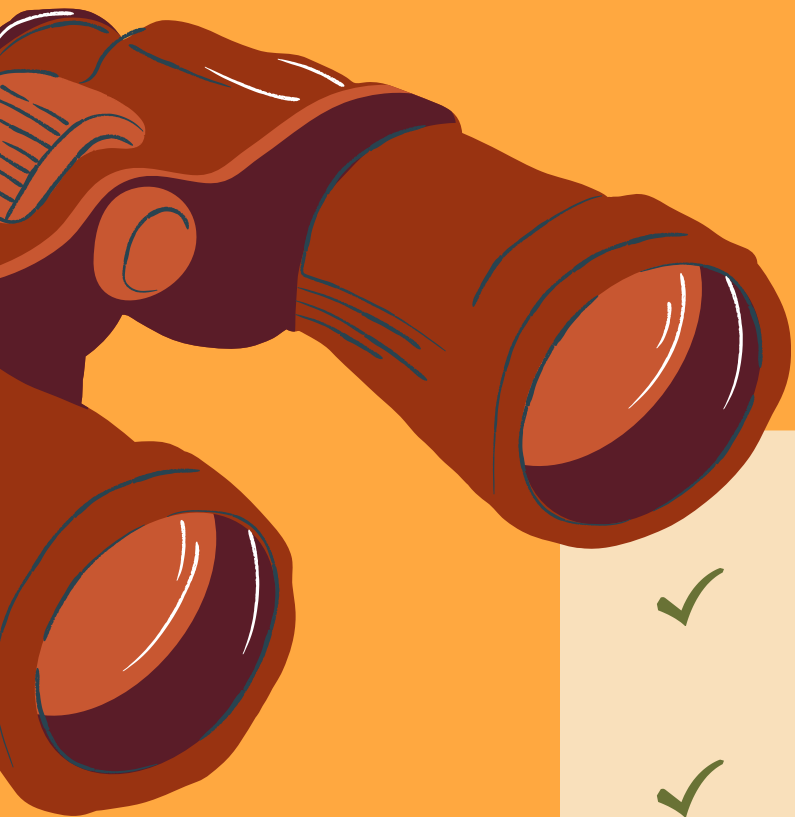

PROS

- ✓ Cheaper cost
- ✓ Minimal luggage
- ✓ Lots of time to explore

CONS

- ✗ Heavy bags
- ✗ Very few items can be carried
- ✗ Short rest time

Make sure you know and understand the consequences before deciding to go backpacking.
